

Property Management Communication Solution

Rafael Mello, Gemma Elsom, Sara Fishburn

Purpose

Lease Connect is a mobile and desktop application designed to provide a streamlined communication platform for property managers and tenants and assist property managers in performing their daily tasks.

The Problem

- lack or difficulty in contact
- Missing calls and emails without replies
- Endless emails

The Audience

- 1 Real estate agencies located in metropolitan areas in Australia
- 2 Companies that appreciate tech solutions
- 3 Tenants that appreciate technology based solutions

The Product

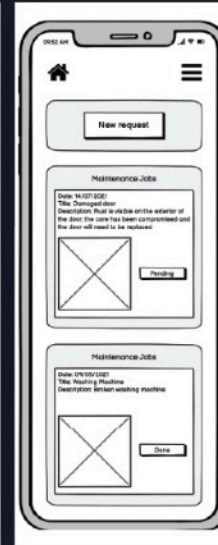

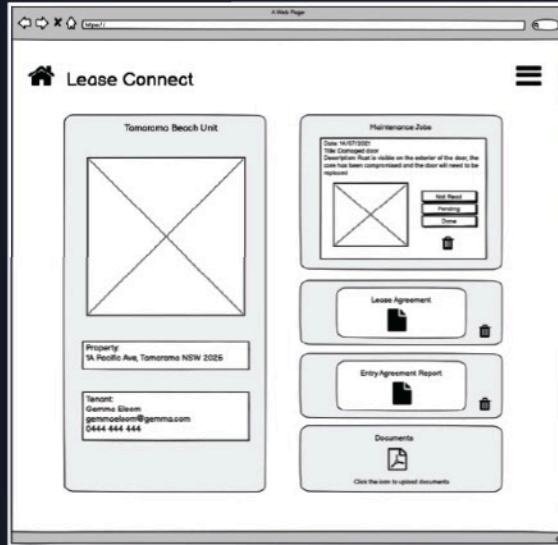

Mobile first design

- 1 Event Calendar
- 2 Maintenance requests
- 3 Documentation

Product Design

- Modular tile system
- Mobile first
- Hamburger Menu
